Standards Courses 2010

Dates have been set for standard courses – please make sure you register for the one to fit your needs. To register, please email Marie at marie@campfoley.com with the name of the camp, names of those attending with corresponding emails and the date of the course attending. Please let me know if you will be joining us for lunch.

Standards Course - Full Day

If you are new to Standards and have never taken a Standards Course or it has been over three years, you need to take the full day course. This is also a good option if your position has changed in the camp and/or you are not very familiar with the Standards.

Visitor Update

If you are currently a Visitor, you need to take this course to visit in 2010.

Standards Update

If you took the Standards Course in the last three years, you need to attend the Standards Update Course.

Associate Visitor Course

If you would like to be a Standards Visitor and visit one or two camps this summer, this course is for you. It will be offered in March. A pre-requisite is to have taken the Standards Course within the last 3 years and/or be updated for 2010.

Breakfast Club - January 26

Bring a friend, bring yourself, but do come when you're able to the Best Perkins in the World at 50th and Hwy 100 in Edina. Be there at 8:00 am (or whenever you can make it). RSVP's are helpful so we have enough seats set aside, but we'll always make room so come at the last minute if your plans change. Ideas for topics of discussion are welcome and can be sent to me with your RSVP, or by Monday at 5:00 pm, or just bring it up while we're all together. Please RSVP to Laura Nolan laura@lincoln-lakehubert

From the National Office

American Camp Association Camping Magazine is accepting materials and submissions for articles. Get published by Submitting manuscripts in MS Word format as an e-mail attachment to magazine@ACAcamps.org. Please include manuscripts on a compact disk if mailing them to ACA. All manuscripts received by *Camping Magazine* will be acknowledged by the editor. Manuscripts are reviewed and edited first by the editor. The editor may suggest possible alterations or additions and return the manuscript to the author for revisions. The manuscript is then sent to the Editorial Advisory Committee for review.
